

MODEL 3000

For switches, crossovers or production tamping and lining, the 3000 Utility and Spot Tamper delivers exceptional tamping quality and accuracy. Compact yet powerful, the 3000 is equipped with the same high performance, heavy-duty workheads as our premium 6700 tamper. The benefit to you: outstanding reliability and productivity.

Just as important, the 3000's economical electrically controlled hydraulic design greatly simplifies maintenance procedures and makes trouble-shooting routine. And that helps keep downtime to a minimum.

The 3000 is a superb all-around performer. Its rugged design makes it economical to purchase, operate and maintain.
